

Advanced / Specialty Trainings

Chemical Feed—Staying With The Flow

Dates:	Locations:	Facilities:
June 12, 2018	Geneva, IN	Town Hall - 411 Line St.
June 13, 2018	Cicero, IN	Red Bridge Community Center - 697 W. Jackson
June 14, 2018	Covington, IN	Fire Dept. - 210 Fourth St.

Time: 9am—3:00pm

Course Description: Whether your preference is diaphragm or peristaltic, learn about operation, maintenance and troubleshooting of these workhorses of water treatment. You will also be able to determine which pumps will work best in your application and which pumps to avoid. Also, we will discuss calculating doses and setting the controls of the equipment. This class also involves a hands on operation and maintenance section of popular chemical feed pumps.

Course Instructor: Don Van Veldhuizen, USA BlueBook

Cost: \$125 members / \$155 non-members

Contact Hours: 5 technical water and wastewater hours (pending IDEM approval)

- ▶ Pre-registration is **REQUIRED** for Advanced / Specialty Trainings.
